- c. Does NNA have any general information about its members' mailings which would indicate in percentage terms, what savings, if any, its members have experienced in their mail preparation costs (excluding postage) due to changes in the make-up of their mailings. If so, please explain fully.
- d. Even if a percentage cannot be calculated for such savings, as requested in subpart (c) above, please indicate whether or not NNA knows or believes that its members have experienced savings.
